

N.E.T. TABLE

Solid wood tables

Never Ending Table

The flexibility of this design provides possibility of integrating the N.E.T. Table in any environment, as conference table, in co-work spaces, as dining table, as work desk, in the lobby or as long table in a restaurant.

The name derives from our ability to produce the tables in lengths up to 6 meters in douglas and up to 4 meters in various kinds of hard wood.
